

Myers Power Products Warranty

Limited Warranty – Myers Power Products warrants its equipment, under normal use, to be free from defects in material and workmanship for a period of twelve (12) months from the date of purchase from Myers Power Products. Myers Power Products will either repair or replace defective equipment free of charge, at its sole discretion, provided the equipment is returned freight prepaid to the Myers Power Products factory or authorized dealer. Myers Power Products will endeavor to supply spare parts whenever possible for the length of a product's warranty. Thereafter, repairs will be made at established factory prices. Unauthorized service or repairs by an agency or person other than authorized Myers Power Products personnel renders the warranty void, releasing Myers Power Products from any further responsibility or obligation. Myers Power Products will not be responsible for failures caused by improper storage, misuse (including failure to provide reasonable and necessary maintenance), accident, abnormal atmospheres, water immersion, lightning discharge, or malfunctions when products have been modified or operated in excess of rated power, altered, serviced, or installed in other than a workmanlike manner. Any damage caused by failure to observe proper packing or instructions for installation, operation and maintenance as contained in a unit's instruction manual (furnished with each unit), by accident in transit or elsewhere, will not be covered by this warranty. This is the only warranty that Myers Power Products makes. All other warranties, expressed or implied, are disclaimed. No one is authorized to assume any liability or obligations on behalf of Myers Power Products in connection with the sale of goods except as stated herein. Myers Power Products not be responsible for indirect or consequential damages.
